## About Istanbul Policy Center

Istanbul Policy Center is an independent policy research institute with global outreach. Our mission is to foster academic research in social sciences and its application to policy making. We are firmly committed to providing decision makers, opinion leaders, academics, and the general public with innovative and objective analyses in key domestic and foreign policy issues. IPC has expertise in a wide range of areas, including—but not exhaustive to—Turkey-EU-U.S. relations, conflict resolution, education, climate change, current trends of political and social transformation in Turkey, as well as the impact of civil society and local governance on this metamorphosis.
